#### Old Version

143758      T Rex Power White      300ml Cartridge

#### New Version

160421      T Rex Power White      290ml Cartridge

This new version features a new graphic design on the box and cartridge, as well as a new longer nozzle with a screw on cap.

The price has also been adjusted to reflect the slightly lower (290) ML count.

Your orders will automatically be adjusted to the new version, since we no longer have stock of the old version.

Please contact us with any questions.
