

## Soudasil N1

Soudasil N1 is a high-quality 100% neutral cure silicone. Its  $\pm 25\%$  movement capabilities make it the ideal product for high expansion joints.

Soudasil N1 does not sag and has extremely good adhesion on a wide variety of common construction materials such as masonry, vinyl, metals, wood, and many more.

It is water-safe and fully resistant to UV.

**Do not use this product for structural glazing applications.**

### Meets:

ASTM C920, Type S, Grade NS, Class 25, Use NT, M, A, G\* and O\*\*,
