

Soudasil RTV3 is a low-modulus, one-part, 100% acetoxycure silicone. Easy to apply and permanently flexible after curing, it's ideal for general-purpose sealing. Contains anti-fungal agents for excellent mildew resistance. Adheres strongly to glass, ceramic, porcelain, wood, metals, and most construction materials. Waterproof and fully UV resistant.

#### CERTIFICATIONS

- NSF Standard 51
  - FDA Regulation No. 21 CFR 177.2600 (Federal Meat & Poultry Inspection Program)
    - ASTM C920: Type S, Grade NS, Class 25, Use NT, A, G, O\*\*
      - Federal Spec TT-S-00230C
- (See TDS for full list of recommended substrates)

#### INSTRUCTIONS FOR USE

- Surfaces must be clean, dry, and free of dust and grease
- Bond strength increases over several days post-application
- For best results, consult the Technical Data Sheet (TDS) and Safety Data Sheet (SDS):
