

Soudasil K&B is a low modulus, one-part, 100% acetoxy-curing silicone. It is easy to apply and remains permanently flexible after curing, making it an ideal general-purpose sealant. Formulated with strong anti-fungal agents, it offers excellent mildew resistance. Soudasil K&B adheres extremely well to a wide range of common construction materials, including glass, ceramic, porcelain, wood, metals, and more. It is watertight and fully UV resistant.

Compliance

- **NSF Standard 51**
- **FDA/USDA compliant for use in establishments operating under the Federal Meat and Poultry Inspection**
 - **FDA Regulation No. 21 CFR 177.2600 Federal Spec TT-S-00230C**
